

CODE_DDP: EMOTIC B5-C3 Task-routed Final-token Adapter Bank

Frozen task-native DDP · 197-token point-wise residual adaptation · deterministic class-introduction-task routing · exact original DDP pooling · pooling/attention/margin-aware training

□ frozen prompted image tokens

□ frozen positive / negative text features

□ class-routed Final-token Adapter Bank

□ exact original DDP pooling equations

□ training-only strict incremental objective
